

Welcome to Supply, we are a locally owned & operated business since 1975, specialising in Building, Renovating & Joinery supplies. We are a dedicated team with many years of experience & individual service requirements.

Kitchen Kits

Kitchen Kits are a ready to assemble cabinet carcass system with a large range giving greater design flexibility.

Kitchen Kit features

- Manufactured in Australia
- Australian made 16mm MR whiteboard with 1mm ABS edging
- Pre-drilled for all hardware
- Cam lock connecting system for easy assembly
- German quality Hettich hinges & cam adjustable plates
- Hettich Multi Tech drawers with metal sides from 86mm to 214mm high adjustable mounting brackets & optional soft closers
- Adjustable legs to base cabinets (110mm to 150mm high)
- All kits individually packed
- Kits are designed to be used in various applications

Hardware

All kits come complete with an assembly pack, comprising cam lock connectors, shelf supports, bench top connectors & screws to assemble each individual cabinet.

Note: some additional screws & fittings may be required for complete installation.

Doors, Drawer fronts & Panels (sold separately)

Choose from Laminex, Formica, Polytec ranges of vinyl faced, laminate faced or paintable.

Note: Doors can be supplied with hinge holes.

Benchtops (made to measure)

Choose from over 600 laminate colours in Gloss or Matt finishes. All laminate tops supplied with post form edges, ends & joins with bolts supplied.
